Dear Kenta,

I hope you are enjoying the summer. It's my favorite season. I really love the beautiful weather. It is like the season in early autumn in Japan. I miss Japan. I hear it's really getting hotter every year in Tokyo. I'm happy to be back in Scotland.

It was my birthday on the weekend, so my dad took me out. We went to a festival called Highland Games. At the festival, there were lots of Scottish sports to watch. There were also a lot of Scottish music and traditional food. We enjoyed music of \*bagpipes and traditional food called "Haggis." We use \*lamb pluck when we cook Haggis. When I played bagpipes when I was in Japan, you really liked it. You said that you were saving money to buy your own bagpipes. I can tell you some good music videos so that you can watch them when you practice playing bagpipes. We can play them together someday at the Highland Games. There were dance contests, too, with people from all over the country.

My favorite thing was a sport called the caber toss. In this sport, people pick up and then throw a big, long \*log as far as they can. The winner is the person who throws it the longest distance. Maybe you can come to Scotland someday, and we can go together.

Your friend,

James
